

## Give or Read this to the Officer

Officer:

I will provide my driver's license, registration and proof of insurance.

I will sign a citation, if any, then I want to leave immediately.

I will **not** answer any questions without an attorney present.

I refuse to do "Field Sobriety Tests" or other voluntary tests.

I do not consent to, or want to be recorded.

I do not consent to my person, car or property being searched.

If I am arrested, I want an attorney now. I do not waive my rights.

If you want me to take a blood or breath test, I want to talk to my attorney John Maurer at (509) 838.9111. If he cannot be reached, I want to talk to a Public Defender attorney.

If I am not under arrest, I want to leave. Please tell me immediately so I may lock my car and walk away.
